

# Review of: "[Commentary] SBRT (Stereotactic Body Radiotherapy) in Recurrent Head Neck Cancer - Boon or Bane?"

Christos Mikropoulos<sup>1</sup>

<sup>1</sup> National Health Service

Potential competing interests: No potential competing interests to declare.

A positive attempt to set the scene for salvage SABR in recurrent Head and Neck cancers. A more comprehensive review with a table of reported clinic trials would have been more effective. Nevertheless, several key trials are mentioned.
