Potential competing interests: No potential competing interests to declare.

- The paper is good but can be better if the author can;
- correct some grammatical errors and typographical errors in the paper
- remove citations from the abstract,
- give a simplified and clearer introduction
- bring out the statement of problem clearly
- use more recent references
- avoid the use of personal pronouns
- write the full meanings of abbreviations
- objectives should clearly be stated and conclusions be drawn to address the stated objectives.
