This manuscript represents an important update on mycetoma in non-human animals.

It can be accepted for publication after minor revisions:

Abstract. Please check the current taxonomic name of *Pseudallescheria boydii*.

*P. boydii* is the denomination of the sexual matH or sexual life of *Scedosporium apiospermum*. Usually, *S. apiospermum* is the etiologic agent of human eumycetoma.

Page 12 – "Miceroma" in goats. Please check spelling.

Table 1 – Please check typing mistakes, for example, "*Scedosporium apiospermum*"
