

Review of: "The Iron Cage of Internal Efficiency: A Content Analysis of Digital Transformation Strategy Direction in Swedish Regions"

SBS BenS

Potential competing interests: No potential competing interests to declare.

The topic is relevant, and authors have well explored the research question. However, the methodology should be detailed. The results should be presented with regards to the "content analysis" approach, allowing for the presentation of trends that could help develop further options and pave the way for further research. Figure 5 is not clear. The added value of the paper is not emphasized: why this paper, what is the gap you intend to overcome? Good luck.
