The article is well written. However, the abstracts should be clear and concise. Consider rephrasing the conclusion for greater clarity, ensuring that the key findings are presented in a more concise manner. Secondly, there is a lack of details on the medicinal properties of this species. Kindly add more in-depth information on the medicinal properties of this species, including the secondary metabolites, biological activities or modes of actions, toxicity, value, in-vitro and in-vivo studies.

Thank you, and all the best.
