Providencia rustigianii

National Cancer Institute

Source

National Cancer Institute. *Providencia rustigianii*. NCI Thesaurus. Code C86694.

A species of aerobic, Gram negative, rod shaped bacteria in the phylum Proteobacteria. This species is motile, produces acid from galactose but not from adonitol, inositol, and trehalose and is resistant to penicillin and colistin. *P. rustigianii* is an opportunistic pathogen found in multiple animal reservoirs, soil, water, and sewage and can cause gastrointestinal infections.
