Potential competing interests: No potential competing interests to declare.

ince some of them are not. In addition, it is necessary to put recent quotes on the subject addressed, as well as the current state of the matter. For this, I recommend reading the following manuscript, as a reference to improve this work:
<https://recyt.fecyt.es/index.php/retos/article/view/93114>

2. Discussion: include in this section real references that support the ideas presented.

3. References: review according to APA 7.
