English Setter

National Cancer Institute

Source

National Cancer Institute. *English Setter*. NCI Thesaurus. Code C53875.

The English Setter is a slim setter with a speckled coat. The long hair is flat and a bit wavy. The coat comes in white with blue, lemon, orange, or brown speckling. Some dogs are tri-color (blue, white and brown). The moderately long pendant ears have a velvety tip. Height: 23-27 inches (58-69 cm.) Weight: 45-80 pounds (20-36 kg.)
