Respected Sir,

Please find below my Review Report of the Article, 'International Education and the Crises of Cosmopolitanism and Global Citizenship', authored by Hazzan Moses Kayode.

Review Report:

The author of this article has beautifully interwoven the three core themes of International Education, Cosmopolitanism and Global Citizenship. The author has also elaborated the impact of Globalization on the three core themes of his Article. This is an emerging theme in the contemporary Discourses. This Reviewer therefore strongly recommends this Article for publication in Your Esteemed Journal, Qeios.

With warm regards,

Yours sincerely

Prof. (Dr.) Sujit Lahiry.
