Dear Editors,

Comments on a manuscript entitled " Solving Pallet loading Problem with Real-World Constraints" for this journal.

There are several concerns with this manuscript. To improve the reported research, it is better to consider the following comments:

1. The purpose of the article is not stated at the end of the introduction.
2. The gap of research and innovation is not stated at the end of the background of the research

Final decision: Minor revision.

Kindest Regards
