This is a very interesting paper but the authors can still improve it.

Introduction

line 1 1.5M should be written as 1.5million

line 3 463M should be written as 463million

line 3 700M should be written as 700million

paragraph 5 line 3 write out the full meaning of HL7 FHIR V4

section 3 Methodology line 7 and 8 The full meaning pf ERD is not properly written but was properly written in figure 4.

Why the choice for HL7 (health level) and not HL6 or HL8?

Accept it after the minor errors are addressed.
