**Potential competing interests:** No potential competing interests to declare.

This is an article on a theme that requires more detailed exploration. The scholar has begun the process but needs to make a deeper dive. The distinctiveness of the African model of democracy needs to be further explored. The work done by the Afrobarometer could well be cited. The theme of this article has been explored by many scholars who have used the Afrobarometer data, and the present study could well take forward those conclusions. There could also be a wider citing of materials and a tighter grammatical check of the language and correction of grammatical errors.
