

# Review of: "Startup Project Development: Travel Schedule Management App "Triplanner""

Alex Abelardo Pacheco Pumaleque

**Potential competing interests:** No potential competing interests to declare.

The Triplanner project seems to be an interesting and innovative proposal for the online tourism market. It is important to highlight the implementation of the Design Thinking method to capture consumer needs and desires. In addition, business analysis and marketing plans are crucial to increase user enthusiasm for the features and to improve the services of the product
