# Bearded Collie

National Cancer Institute

## Source

National Cancer Institute. *Bearded Collie*. NCI Thesaurus. Code C53743.

The Bearded Collie is a medium-sized herding dog with a shaggy coat. This breed has a broad head, short muzzle and a shaggy coat all over the body, even under the chin. The color of the coat changes several times over the life of the dog. The adult coats come in any of the four colors, black, brown, blue, or fawn. Height: 20-22 inches (51-56 cm.) Weight: 40-60 pounds (18-27 kg.)
