

# Review of: "Online learning during the COVID-19 pandemic, lessons learned and what's next?"

Shahin Salma Khatun

Potential competing interests: No potential competing interests to declare.

1. Abstract should be written properly.
2. Aims and objectives are not clearly framed.
3. Referencing is missing in some places.
4. Result should justify the objectives.
5. Well-chosen topic and introduction is nicely written.
