

Review of: "Establishing a Multi-disciplinary Adult Oncology Unit at Muhimbili National Hospital: Lessons Learned, Challenges, and Opportunities Amidst Tanzania's Growing Cancer Burden"

Zipporah Ali

Potential competing interests: No potential competing interests to declare.

Thank you for the invitation to review this article. This is a good development, especially where cancer services are limited (Africa). The authors give a clear picture of the process, who the key stakeholders should be, involved, their successes, and challenges. Other developing countries can learn from this experience to enhance better cancer care in their own countries.
