Potential competing interests: No potential competing interests to declare.

Please do not use “...” in your paper.

Section 1 should be the introduction section, and authors need to include a literature review in your paper. Especially, authors need to include the sustainable livelihood framework and clarify the methodology.

Please also include relevant research to interpret the results in your discussion section,

What are the contributions of your research and the research limitations?

As other reviewers mentioned, this is a report, not an academic paper. Please modify your work,
