Thank you for the opportunity to review the chapter "Unraveling Populism: Senator Fraser Anning and the Australian Political Landscape." The chapter discusses the activities of Australian Senator Fraser. The chapter is well-written, and I enjoyed reading it. However, I have some concerns. The descriptive character is based on a single reference. Therefore, the chapter appears like an essay. I strongly recommend adding literature on the topic. For example, there are several studies addressing populism that you might refer to.
