Visual Reproduction II Subtest (WMS-IV)

National Cancer Institute

Source

National Cancer Institute. *Visual Reproduction II Subtest (WMS-IV)*. NCI Thesaurus. Code C120349.

A subtest of the Wechsler Memory Scale, 4th Edition that assesses long-term visual-spatial memory for nonverbal visual stimuli. A series of five designs is shown, one at a time, for 10 seconds each. After a delay, the subject is asked to draw the designs shown in any order. Then, the subject is asked to choose which of six designs on a page matches the original design shown.
