Potential competing interests: No potential competing interests to declare.

1. In paragraph 2:

At the same time, smoking continues to be the number one preventable cause of death and disease in the world. [A1]

[A1] It would be better to state what the mortality rate is and in what year the prevalence is

2. In paragraph 6:

(cancer, heart disease, etc [A1] .)

[A1] Chronic Obstructive Pulmonary Disease (COPD) should also be included

3. In paragraph 14:

highlighting risks that these products [A1]

[A1] It's best to mention any risks
