Potential competing interests: No potential competing interests to declare.

The author has to concentrate on the following:

1. The article is completely addresses about the AI on various application.
2. The discussion need to be specific on research areas.
3. Abstract – Need to be summarized to address the nature of proposed work in details
4. Need to add more architecture of Deep learning with layers, ANN and others
5. Reference section need to strengthen by adding more recent articles.
6. Overall need to improve the article for Journal Standards with Research findings.
