

# Review of: "Artificial intelligence in the service of health and safety at work: Perspectives and challenges from now to 2035 - A prospective study"

Dr. Gaganpreet Kaur Kaur<sup>1</sup>

<sup>1</sup> Chitkara University

Potential competing interests: No potential competing interests to declare.

1. The paper structure is well-defined, offering a clear introduction, comprehensive body sections, and a concise conclusion.
2. The literature review is not appropriate, and needs to be added.
3. The language used is clear and concise, making the paper accessible to a wide audience.
4. Highlight any recent developments or trends in the field of AI.

Overall paper is good and can be accepted.
