2. The Bible =

The author uses terminologies suitable to the milieu of the contemporary audience.

7th line: He may include 'historical', i.e., historical context.

3. Covenant =

Last line: The author may use the word 'redemption' in lieu of liberation. Simply because the word liberation has a political connotation.

shines in all its beauty on
the countenance of Jesus
Christ." (Veritatis Splendor, 2)

5. The author may explain the distinct role of each Person of the Trinity, e.g., The Father as the creator. the Son as the Savior, and the Holy Spirit as the Paraclete.
