Dear Authors, Thank you for choosing such an interesting subject concerning adolescents' knowledge, beliefs, and attitudes towards sexuality. Please pay attention to the following:

1- Abstract: Reduce the background and explain the methodology more thoroughly.

P-values need to be mentioned here, along with the main positive associations.

2-Set your objectives in clear, specific, measurable, attainable, and time-tabled settings.

3-Results: Please do not repeat the same things in tables and paragraphs.

4- At the end of the discussion, please mention your conflict of interest.

Thank you.
