Potential competing interests: No potential competing interests to declare.

The following should be noted and corrected accordingly:

1. How practicable is your proposed model in real time?
2. Is it cost-efficient?
3. Grammar requires minor re-editing.
4. The introduction should contain the organisation of the study.
6. The sections should be numbered for better organization.
7. Section 2 should be a Literature Review or Survey.
8. The author is advised to use a different referencing style for better comprehension.
