This article is good enough to be published. However, some improvements are still needed to improve the quality of the article. Some of them:

1. Adjustment to the journal template
2. Urgency, originality, and novelty of research
3. A more detailed description of the research method
4. Preparation of research results that are more tidy and discussion related to research results by comparing previous studies
5. Conclusions must be in line with the results of research and discussion
6. Actualization of the reference year used.
