

# Review of: "The Impact of Leadership and Talent Management: The Case of Generation Z in The Lebanese Retail Sector"

Bhartrihari Pandiya

Potential competing interests: No potential competing interests to declare.

1. The literature review is not recent and seems outdated. It needs to take into consideration the latest data.
2. The population of the study was not mentioned. From where did 212 as a sample come?
3. The tabular depiction of the results needs to be revisited and looks very immature and unprofessional.
4. The managerial implications needs to be improved.
