Contributing_Source

National Cancer Institute

Source

National Cancer Institute. *Contributing_Source*. NCI Thesaurus. Code C51065.

This property is used to indicate when a non-EVS entity has contributed to, and has a stake in, a concept. This is used where such entities, within or outside NCI, have indicated the need to be able to track their own concepts. A single concept can have multiple instances of this property if multiple entities have such a defined stake.
