**Potential competing interests:** No potential competing interests to declare.

1. The abstract should reflect the aim of the research.
2. The Paper should include justification for the selection of Nardan Basti.
3. Literature should include methods for crime prevention, guidelines, principles, and objectives of CPTED.
4. The Paper should contain an analysis and results section.
5. The design strategies should align with the findings of the interviews, etc. Issues generated through the interviews as per the needs of various age groups should be emphasized.
