

# Review of: "Young Builders vs. University of Delhi: A case of maintenance of balance between environment and development in housing development for the megacity of Delhi"

Jamal Mabrouki

Potential competing interests: No potential competing interests to declare.

-The abstract is very vague and should be revised.

-The conclusion is very simple and it needs to have more finding from this investigation.

-Please make sure your conclusions section underscores the scientific value added to your paper, and/or the applicability of your findings/results, as indicated previously. Please revise your conclusion part into more detail. Basically, you should enhance your contributions, hypothesis retain/reject, limitations, implications/applications, advantages/disadvantages, policies, underscore the scientific value added to your paper, and/or the applicability of your findings/results and future study in this session
