# GAIA Level 1 Vasa Previa

National Cancer Institute

## Source

National Cancer Institute. *GAIA Level 1 Vasa Previa*. NCI Thesaurus. Code C128746.

GAIA Level 1 Vasa Previa is defined by two criteria: first, second trimester ultrasound evidence of fetal vessels (vessel with fetal heart rate identified by color flow Doppler) traversing the membranes and overlying the internal cervical os; second, post-delivery examination of the placental specimen that demonstrates unsupported fetal vessels within the membranes.
