

Review of: "Persimmon Preservation: Navigating Tradition, Innovation, and Sustainability for a Holistic Future"

Pradeep Kumar Vishwakarma¹

¹ Dr. Rajendra Prasad Central Agriculture University

Potential competing interests: No potential competing interests to declare.

The language of the manuscript is well written, but some information is lacking. The authors should be centric on one point and discuss in detail either shelf life or value addition.

Few references were also older than 10 years, but I suggest adding recent 5-year-old references. All the headings were nice, but the content was lacking (Innovative Approaches...?)
