Potential competing interests: No potential competing interests to declare.

- 1.The innovation of this manuscript is unclear. Please further clarify its theoretical value. If it's just a discussion of a business plan, it's not innovative.
- 2.It is suggested to supplement the methods section.
- 3.Has this business model been implemented in other regions? It is suggested to emphasize the adaptability of localization.
- 4.The conclusion should indicate the findings of the study.
