Dear Chief Editor,

I have completed the review of the revised version of the manuscript entitled "**Evaluation of Musical Conductor Exposure to Noise**". After carefully evaluating the authors' responses and the changes made to the manuscript, I confirm that all reviewer comments and suggestions have been adequately addressed. The revised manuscript demonstrates significant improvement in clarity, structure, and scientific quality.

In my opinion, the current version meets the standards of your esteemed journal and is suitable for publication.

Please do not hesitate to contact me if further input is required.

Best regards,

Sajjad Rostamzadeh
