Potential competing interests: No potential competing interests to declare.

The paper requires some changes like

1. Abbreviations should be defined at their first occurrence and then used consistently throughout the paper.
2. Abstract must be written in form of Background-Problem statement-technique used-result
3. Why mentioned both Industry 4.0; I4.0; in keywords? any specific meaning?
4. Why have the Authors not cited any references in introduction? are they knowing evrything about Industry 4.o.
5. Research Methods are not clear.
6. Paper required a deep proof read
