Dear Authors, the following elements are mandatory:

- 1 – Introduction: is there any work that has done similar research?
- 2 - Introduction: What are the practical and theoretical contributions?
- 3 – Introduction: in short, the introduction needs a greater contextualization of the problem and emphasizes the relevance of the theme and framework;
- 4 - Comparisons with state of the art;
- 5 - An exhaustive analysis of related production research publications;
- 6 - Method: I suggest describing it in stages;
- 7 - Results: I suggest comparing with other works and detailing the obtained results;
- 8 - Research perspectives.
