

Review of: "Use of the experimental designs as an approach to optimize the inhibition efficiency of a Pyridazine derivative against corrosion of steel in an acidic medium"

Yasser Reda

Potential competing interests: No potential competing interests to declare.

1. **References is too old only oe is 2020 which is almost old**
2. **Abstract needs to rewrite to ad the concluded and discussed parts**
3. **The caption of table 1 needs to be at the top of table**
4. **Responses studies indicated it is to be obtained from Tafle ,where the curve or result data**
5. **Figures in pages 11,12,13 didn't have caption, and need more discussion**
6. **Conclusion needs to detected the best result**

The paper needs major revision and accepted for publication
