

Review of: "Grid-secluded Induction Generator with ANN and Intreval Type-2 Fuzzy based Controller for Wind Power Generation with Smart Load Control"

Mohammed Ozayr Abdul Kader

Potential competing interests: No potential competing interests to declare.

Please kindly note the following:

1. The word from the title of the research "Intreval" is supposed to be "Interval".
2. The Interval FT2 needs more explanation.
3. Quality of images needs to be improved and referenced if taken from another paper to prevent plagiarism.
4. The references are outdated and requires latest citations within 3 - 5 years.
