Potential competing interests: No potential competing interests to declare.

1. Title can be "Students' attitudes and perceptions towards statistical literacy in a university system in a developing African country".
2. Abstract should be structured.
3. Inclusion and exclusion criteria are missing.
4. What was the sampling technique?
5. Write "To adapt the instrument according to the local requirements, for use in the study" in place of REFINING THE INSTRUMENT.
6. Please describe how the interviews were transcribed and analyzed to develop themes?
7. References have not been cited in the text of the manuscript.
8. There is no numbering of the references in the Bibliography.
