Review of: "SnakeChat: a conversational-AI based app for snake classification"

Tayseer S. Atia

Potential competing interests: No potential competing interests to declare.

The author should consider the following suggestion to improve the article.

Abstract

1. The author should mention the problem (knowledge gap) and how to overcome it.

2. The author states the advantage of his method against other works in this field

3. The author may replace the words "reliable finding" with more precise language, for example, "accuracy increased by 2%," "the time decreases by 2%.".

Introduction

1. Knowledge gaps or shortcomings in related works should be highlighted in more detail.
2. What is the novelty of this work?
3. Mention related studies.

Results

1. Present and discuss the findings in more detail.
2. Compare related studies.
