The article is very well structured and written. The research work carried out is thorough and is presented (written) in a simple, clear, concise, and structured manner. The research questions are presented, the hypotheses are formulated, and the methodology used. The information is presented in a clean and attractive way from the point of view of the reader. The data is analysed and interpreted in a clear and concise manner. The conclusions are very comprehensive. The bibliographical references are adequate and recent.

• **Recommendation to Editor** (Please mark "x" for the appropriate option)

- ☒ (x) Excellent, accept the submission (5)
- ☐ () Good, accept the submission with minor revisions required (4)
- ☐ () Acceptable, revisions required (3)
- ☐ () Resubmit for review, major revisions required (2)
- ☐ () Decline the submission (1)

The editor will forward the section below to the author/s

• **Evaluation** (Please evaluate the manuscript by grading 1-5)

5=Excellent 4=Good 3=Average 2=Below Average
1=Poor

Items	Grade
Contribution to existing knowledge	5
Organization and readability	5
Soundness of methodology	5
Evidence supports conclusion	5
Adequacy of literature review	5
