The work titled "**Saponins and their synergistic antibacterial activity with traditional antibiotics against *Staphylococcus aureus* and *Escherichia coli*: Review**" is very original and good study. According to my opinion, this manuscript can be accepted for publication in the **Qeios**. My corrections:

1. In Abstract, Page 1, Line 10: "...*S. aureus*..." should be change to italic form "...*S. aureus*..."
2. In Abstract, Page 1, Line 12: "...*E. coli*..." should be change to italic form "...*E. coli*..."
3. In Main Text, Page 6, Line 14: "...*S. aureus*..." should be change to italic form "...*S. aureus*..."
4. In Main Text, Page 6, Line 17: "...Euphrbiacea..." should be change to "...Euphorbiaceae..."
5. In Main Text, Page 6, Line 17: "...*P. aueuroginosa*..." should be change to "...*P. aeruginosa*..."
6. In Main Text, Page 9, Line 5: "...*E. coli*..." should be change to italic form "...*E. coli*..."
7. In Main Text, Page 9, Line 7: "...*S. aureus*..." should be change to italic form "...*S. aureus*..."
8. In Main Text, Page 9, Line 11: "...Fabaceia..." should be change to "...Fabaceae..."
