Potential competing interests: No potential competing interests to declare.

1. The overall review is very brief and needs more input about copper nanoparticles.
2. Introduction should be more detailed. Add some studies stating the usefulness of copper nanoparticles.
3. Section 2.3 needs a detailed mechanism with the figure.
4. What are the applications of copper nanoparticles other than dermatology? Discuss them
5. Discuss the disadvantages in a scientific manner.
6. Figures and graphs needs to be added.
