Potential competing interests: No potential competing interests to declare.

The research interesting, however, could improve better by the following comments;

1. Most of the sentences need reference citation.
2. The abbreviation isn't clearly defined-
3. The methodology of the research needs to be explained more clearly.
4. The results isnt clearly shows and explain.
5. Therefore, the conclusion hasnt very potrayed the results and methodology used and very general.
