Potential competing interests: No potential competing interests to declare.

1. Keywords should be 4-5 words that are really important.

2. Introduction:

2.1 Lack of literature review on AI-generated issues results in Deepfakes and Misinformation.

2.2 Lack of adequate references and research related to AI-generated, Deepfakes, and Misinformation.

2.3 Lack of identification of the need to understand AI-generated issues, which results in deepfakes and misinformation. So, what effects will there be if there is a need for more understanding? Awareness to reduce global threats in the 21st century.

3. Conclusion: Specify the importance of AI literacy to be aware and use AI for positive benefits in a socially responsible manner.

4. In-text citations and references must be checked according to the Journal for APA 7th or Vancouver style.
