American Diabetes Association

National Cancer Institute

Source

National Cancer Institute. *American Diabetes Association*. NCI Thesaurus. Code C47836.

A nonprofit health organization providing diabetes research, information and advocacy. The mission of the Association is to prevent and cure diabetes and to improve the lives of all people affected by diabetes. To fulfill this mission, the American Diabetes Association funds research, publishes scientific findings, provides information and other services to people with diabetes, their families, health professionals and the public. The Association is also actively involved in advocating for scientific research and for the rights of people with diabetes.
