Potential competing interests: No potential competing interests to declare.

It is a good piece of work and needs improvement before acceptance.

Title needs revision and clarity.

Use *Moringa oleifera* in italics as *Moringa oleifera* throughout the manuscript.

Follow journal guidelines for references, format, etc. I see an issue in the format.

Better to use numbers with equations.

There is an issue in mentioning superscripts and subscripts in the manuscript. Solve this issue in the entire manuscript.
e.g., (Fe⁺², H₂O₂)

Check units in Table 1 and Table 2. Also, check the notes under Table 1 and Table 2.

Improve the conclusion section with better description and numeric values.
