terms of Reading Habits? What is the right solution to overcome the impact of Sophisticated Technology 5.0 in terms of Reading Habits? (3 research objectives), preferably in the results of discussion section there is a theory or concept to be able to analysed the 3 (three) research objectives. Furthermore, in the conclusion which is the answer to the problem, it must also consistently answer the 3 research objectives that have been previously set. The Result of discussion section from the aspect of the number of words should be the most among the other sections.
