Standard Cancer Center Information Summary

National Cancer Institute

Source

National Cancer Institute. *Standard Cancer Center Information Summary*. NCI Thesaurus. Code C39519.

The Standard Cancer Center Information Summary is a supplement to the Cancer Center Support Grant Application Form PHS 398. There are five types of summaries itemizing for easy reference the center's research programs, senior leaders, shared resources, base of funded research projects, patient information, clinical research protocols, and comparison of the current and requested budgets.
