

Review of: "The Nexus between corporate social responsibility and corporate social performance in the Service-Based Enterprises Sector: Insights from Zimbabwe"

Aftab Shoukat

Potential competing interests: No potential competing interests to declare.

The topic of research is new and trending and companies need research on these topics as their environments are demanding to address these issues in order to get competitive advantage. Authors should also discuss the theories in which the research is embedded and should explain how this research strengthen or weaken the theories selected.
